Subject: Memorable CCR damage cases
[AA briefing- TVA Kingston 6-10-09.ppt](#)
[Rostosky Ridge Road Collapse of CCR Pile Fugitive Dust Compendium Dec 2014.docx](#)

These are two significant and memorable DCs: I can present both within ~10 -15 minutes, if you can spare the time. Feel free to pull out the key pages/paragraphs – this will make the presentation more effective and save time.
